Environmental Policy Statement

A Truscott Carpentry Ltd provides contract carpentry services for housebuilders, interior fit outs and refurbishment services.

A Truscott Carpentry Ltd recognises that its activities have an impact on the environment in all our activities, working practices and business relationships. We are committed to protecting, conserving and enhancing all aspects of the environment over which we have control or can influence. We shall ensure compliance with all relevant environmental legislation, regulations and other requirements, and will take action to continually improve our environmental performance and prevent pollution across all of our activities, products and services.

Our policy is to:

- ✓ Wholly support and comply with or exceed the requirements of current legislation and codes of practice.
- ✓ Minimise our waste through efficient planning and organised procurement.
- ✓ Recycle or reusing materials wherever possible.
- ✓ Minimise energy use and water usage across our projects.
- ✓ Minimise consumption of natural resources, especially where they are non-renewable.
- ✓ Operate and maintain company vehicles and plant with due regard to environmental issues so far as reasonably practical.
- ✓ Promote vehicle sharing where possible.
- ✓ Strategic planning of labour resource to minimise distance travelled.
- ✓ Apply the principals of continuous improvement in respect of air, water, noise, light pollution from our premises and reduce any impacts from our operations on the environment and local community.
- ✓ As far as possible procure products and services that do the least amount of damage to the environment and encourage others to do the same.
- ✓ Assess the environmental impact of any new processes or products we intend to introduce in advance.

We will ensure this policy is implemented throughout our operations by:

- ✓ Ensure all our employees, Bona-fide sub-contractors understand the environmental impacts of their jobs.
- ✓ Inform all suppliers, contractors and sub-contractors of the requirement to comply with this policy when providing goods or services.
- ✓ Periodically reviewing the environmental issues at the highest level within the organisation.
- ✓ Reviewing this policy and its effectiveness on an annual basis.

This policy provides the framework for setting and reviewing environmental objectives and targets through our Environmental Management System (EMS). The policy will be maintained as documented information, will be made available for interested parties and be communicated within the company.
